

STEM Cadets Science Presenter

Job description

STEM Cadets is looking for professional, inspirational and energetic science presenters to join their team in Bath!

Title: Science Presenter

Job Type: Part-Time

Hours: Monday to Friday 15:15 to 16:30 for After School Clubs

Salary: £20/session

Location: Bath

Start Date: 17 May 2018

We require dynamic individuals with big personalities to work part time in presenting our after school programme. We provide a variety of programs for youth ages 5-12 to learn more about exciting topics like science, coding, robotics, 3D design and more! This is a job that truly enhances your CV and future employability whilst also being fun and incredibly rewarding. Working for STEM Cadets is a unique job which you will never forget - not only do you get paid but you make a real difference to children's lives and have fun all at the same time! This is a part-time position.

You must be available at least two afternoons per week to travel to primary schools in Bath area to deliver our programme to local schools. Full training and awesome equipment is provided. Own transport is not essential. Pay is £20 per 1 hour session which includes 15 minutes setting up, an hour long session and then 5 minutes packing away/tidying up. Pay will be reviewed and possibly increased following a successful first half term. We offers excellent potential for growth and competitive compensation for the right candidate.

A typical event

You will be picked up by our company driver to the school to a pre-booked after school club near you and have fun with around 9-20 children aged from 5 to 12. You'll need to arrive at the school at 3:15pm to setup the equipment and greet the guests. All clubs last for 1 hour.

Essential

- enjoy working with children - (5-12 years old)
- have flexible working hours! Available at least twice a week! 100% reliable!
- a bubbly, energetic personality, the ability to present in a clear and entertaining manner

Not needed:

- You don't need teaching experience.
- Own transport is **NOT** essential.
- You don't need a scientific background as full training is provided.

How to apply:

To apply, send your cover letter to admin@stemcadets.co.uk
