BOOKING form STEM Cadets

After School Programme

Dear Parent /Guardian

STEM CADETS will be running an after school club from the end of the school day until 4:20pm on Thursdays.
The Programme is open to children Y1-Y5.

Places are limited and will be awarded on a first come, first served basis.

In this year's programme, children will be investigating scientific principles as well as the engineering, chemistry and physics that apply to everyday items and experiences from flight and air to sound and illusions.

The cost for the 4 week programme is £24

At the end of each session, children will receive a small science toy and worksheet to take home.

STEM is a curriculum based on the idea of educating students in four specific disciplines

– science, technology, engineering and mathematics

– in an interdisciplinary and applied approach.

Rather than teach the four disciplines as separate and discrete subjects,

STEM integrates them into a cohesive learning paradigm based on real-world applications.

Below is a table showing the dates of the programme.

Week 1	Week 2	Week 3	Week 4
07 - June	14 - June	21 - June	28 - June

Year Group: Y1 – Y5

Day: Friday (07th June – 28th June)
